**NOVEMBER 4, 2009 7-9 PM**

**Parent University – Part 1** is a **FREE** event open to all interested parents in and out of District 95. This November Parent University will be hosting a session called “Active Parenting of Teens”. This session will be lead by the distinguished Bob Leece, who holds a Masters Degree in Guidance Counseling and has over 37 years in the Education field. His presentation will touch you and leave you empowered to take an active role in your child’s life...it’s never too early to start! Below is a brief description of Bob Leece’s session.

*After years of working with all types of families, one clear message is true: PARENTING IS HARD WORK! There are so many influences today on our children, many of which scare us to death and cause us stress as parents. All parents want to raise healthier, happier children who succeed and are winners in life. During this keynote presentation, Bob will share effective parenting methods that have changed the lives of parents and children that he has worked with over the past thirty-seven years. This presentation will touch you and leave you empowered to both influence and enjoy your children.*

**Please e-mail Lori Schwartz at [parentuniversity@yahoo.com](mailto:parentuniversity@yahoo.com) if you are interested in attending this event.**

**There will be no child care offered during this session. We look forward to seeing you there!**
